

## Early Childhood Team Descriptions

**Team Overview:** Our Early Childhood area is a collective investment by the parents who utilize it. Every parent with children in Early Childhood who calls Valley Creek their home church serves in a volunteer rotation throughout the year. Some choose to volunteer one Sunday out of every 8 weeks (in both services) while others volunteer in one service every four weeks. Each team member is responsible to switch or find a sub if they are unable to volunteer on their scheduled Sunday.
